*Greater love hath no man than this, that a man lay down his life for his friends.
John 15:13*

Dear Friends, Prayer Partners, and Faithful Supporters,

January 1, 2012

Psalm 126:3 says “The Lord hath done great things for us; wherof we are glad.” There is really no other way to summarize the year 2011. We have driven over 34,200 miles and have crossed the country several times. We have had the privilege of presenting our ministry in over 70 churches since February.

During the month of December we were able to visit our home church and be a part of several services. Jon was able to have the great privilege of leading two teenagers to the Lord while on church visitation. Tina was able to be a help to a visitor who came forward in one of the services. She showed her Scripture passages to help her to receive assurance of her salvation. Caleb, Anna, and Abigail were excited to be able to sing in several services, including, Christmas morning. How special it is to have them be a part of our ministry and to see them enjoy serving the Lord.

While at one of our recent meetings, we met a gentleman who had been stationed at Fort Dix and lived there for many years. With tears, in his eyes, he told us how there was not one time that anyone knocked on his door to tell him about the Lord. He wished so much that someone, like us, would have been there to give him the Gospel. We know that there are many such people waiting in New Jersey for someone to tell them of Jesus. Will you please pray for us as we continue to schedule meetings and travel that we will be able to raise the remainder of our support within this new year? We will be praying for you all that throughout this new year you will continue to serve God faithfully and grow closer to Him!

Thank you all for your faithful prayers and support.

Giving Christ to those who give for us,

Jon and Tina Gorman

no good *thing* will he withhold from them that walk uprightly.
